Summary

Multi-disciplinary Creative Designer at Moveo Creative, specializing in the intersection of brand identity and motion graphics. Leveraging tools to create scalable design systems and brand deliverables. Delivering conceptually-led visual solutions for clients while balancing high-speed agency workflows.

Experience

Creative Designer / Moveo Creative, Moveo Group

Aug 2025 - Present / Tel Aviv, Israel

- Conceptualized and executed brand campaigns across digital and print touchpoints, translating client briefs into cohesive visual narratives that increased brand engagement.
- Developed motion graphics and interactive prototypes concepts for clients, directly contributing to the successful acquisition of new or recurring agency accounts.
- Orchestrated projects from ideation to delivery, ensuring all designs were conceptually driven, production-ready, and effectively communicated the brand's core story.
- Partnered with cross-functional teams to balance simultaneous projects and client needs, consistently delivering high-quality innovative design within a fast-paced creative environment.

Education

Bachelor of Design / Holon Institute of Technology, HIT

Oct 2022 - Aug 2026 / Holon, Israel

- Took part in a collaborative team researching and creating a design initiative for the Magma Rising exhibition at Oxford, England, under the mentorship of Oded Ezer's Design Clinic.
- Represented the HIT Faculty of Design in an international summer program at the University of West Bohemia, Pilsen, Czech Republic (2024), focusing on cross-cultural visual storytelling.
